Mission: Holy Trinity Anglican Church is a faith family that seeks to encounter and share the Holy Trinity through worship, community and outreach.

Core Values: Holy Trinity's core beliefs are firmly planted in the mainstream of historic Anglican thought and practice. These beliefs include:

- Jesus Christ is the Way, the Truth and the Life: No one comes to the Father but by Him
- The Holy Bible, Old and New Testaments, is the inspired Word of God, containing all things necessary for salvation and is the final authority and unchangeable standard for Christian faith and life
- Baptism and the Lord's Supper (Eucharist) are Sacraments ordained by Christ Himself in the Gospel and are to be ministered with unflinching use of His words of instruction and of the elements ordained by Him
- The historic faith of the undivided church, as declared in the three catholic creeds: the Apostles', the Nicene and the Athanasian Creeds
- We receive the Book of Common Prayer as set forth by the Church of England in 1662, together with the Ordinal attached to the same, as a standard for Anglican doctrine and discipline and, with the Books which preceded it, as the standard for the Anglican tradition of worship
- We receive the Thirty-Nine Articles of Religion of 1571, taken in their literal and grammatical sense, as expressing the Anglican response to certain doctrinal issues controverted at that time, and as expressing the fundamental principles of authentic Anglican belief.

Worship Style: As an Evangelical church in the Anglican tradition, we embrace a liturgical form of worship based on The Book of Common Prayer, 2019 edition. Worship is participatory for some, anonymous for others, but joyful, relevant, reverent, warm and engaging for all. We meet weekly to encounter the holiness and majesty of our living God together through Scripture, Spirit and Sacrament. Music is a combination of traditional Anglican hymns with contemporary praise music. Music is accompanied by an electronic keyboard, and will regularly utilize other instruments, such as guitar, violin, and drum when available and/or on special occasion.

Search Team Observations:

- Holy Trinity originated from prayer; not just petitioning, but also listening. Dozens of "prayer warriors" serve the parish in a myriad of ways, both public and private
- Visitors are often surprised by the presence of the Holy Spirit during worship and the warmth by which they are welcomed
- For years, the number of children were few. A challenge going forward is how we disciple now two dozen young hearts and establish a vibrant youth ministry for members and visitors
- Fellowship gathering in recent months has made a strong return, fostering a closer-knit community
- From early days, many Life Groups exist. Annual change in group members has moved to limited member turnover the past several years.
- A supportive Diocese; geographical size has led to discussions of a Diocese in Formation
- Ability to expand the ministry and service of many long-time volunteers exists
- Our Lord frequently shows favor with His church and is obvious when Jesus leads rather than our own ambitions.
